

GREATER CIRCLE

YOUR MEMBERSHIP INCLUDES

5 Pillar Planning Workshops

You are invited to attend a 2 hour planning workshop with Founder and Curator, Anna Chipperfield, in January and July each year. The workshop provides you with the opportunity to understand our 5 pillars of planning, including health and wellness, business, personal and professional development, wealth and lifestyle. Not only is this great opportunity to interact with other members, it is a chance for you to map out your goals and walk away from the session having more clarity on what you would like to achieve in the short and longer term. We then have a check in session half way through the year, with a similar feel and outcome. We refer to your plans and goals at our Greater Circle Gatherings and as part of our Inner Circle meetings.

Greater Circle Gatherings

The Greater Circle Gatherings are a combination of structure and social. The first hour is designed to bring members together in a facilitated format, so that you not only get to know each other better but you also share plans and goals, challenges, wins and ideas. We keep the formal part of the session to an hour, with the social part of the night to follow, this enables those members who need to duck off, to go after the first hour.

Deep Dive Workshop

A full day workshop with all members where we delve deep into various areas of our lives. We base this day around our 5 Pillar plan, with an extra little focus on business where its relevant. We have so many clever and experienced specialists as part of our community and depending on the areas our members want to learn or hear about, we invite you, our members to facilitate many of the DEEP DIVE workshops. We will also invite non-members with certain expertise to be involved.

Our Member Portal and Facebook Group

Every member has access to our member portal and closed facebook group. The member portal includes a profile of each member, our planning tools and all our scheduled events. We ask members to go into the portal at the beginning of each year and update their profile, particularly the section on goals. This is a very simple way to commit to your plans for the 12 months.

Our Facebook group is used to share info and activities about SWB and keeping members in the loop but also another way for members to interact as and when they need or want to.
