

INNER CIRCLE

WHY BE PART OF THE INNER CIRCLE....

We encourage all Greater Circle Members to spend the first 12 months of their membership, just within the Greater Circle, getting to know the members and building relationships.

Greater Circle members will be invited each year to consider being part of the inner circle, a smaller group (no more than 6) who meet monthly with Anna Chipperfield to deepen your relationships and your commitment to your goals.

The reason a Greater Circle Member would join the Inner Circle;

1. You want to hold yourself more accountable and need support to do this
2. You want to be able to share your story in more detail, so that you can gather insight and perspective from others outside looking in, who know you and your business/career and life aspirations.
3. You may be developing an idea, stretching yourself, changing your career or launching something new and would benefit from a sounding board of professional women who can share experiences, help solve problems and provide encouragement along the way.
4. You need structure and utilising the 5 pillar planning process and regular accountability will help you stay focused and keep on track.
5. You want to share your experience and insights with others and help other women achieve the above.

Don't underestimate the commitment of being part of an Inner Circle. Meetings are monthly, for 2 hours, usually a Monday or a Wednesday in the afternoon/early evening and we are strict on time and agenda, so you need to turn up before our start time and we will have you out the door right on 2 hours.

The commitment is in addition to the Greater Circle (you can't just do the Inner Circle), so we will be seeing a lot of you and that is just the way we like it. The benefits of the Inner Circle and the way this process can help you achieve your goals is so very valuable, you won't regret it. In addition to this you will deep your connection with your group beyond what you ever expected. You will take your membership to a whole other level being part of the Inner Circle.

Additional Facebook group

Once you join (your Inner Circle), you will be part of a smaller closed facebook group, for the members within your Inner Circle. This is where you share dates, actions and accountability as well as check in regularly and share news and info between meetings.
