

INNER CIRCLE

YOU ARE A COMMITTED GREATER CIRCLE MEMBER PLUS....

We encourage all Greater Circle Members to spend the first 12 months of their membership, just within the Greater Circle, getting to know the members and other members and curators also getting to know you.

When you request to join the Inner Circle program you will go through a process we call 'curation' where we do our best to match you with other members, depending on what you are trying to achieve over the course of the year.

Inner circle groups, may change from year to year, depending on the needs of the individual member or in some cases, stay the same for years based on the familiarity, accountability and friendship the group provides each other.

Monthly Accountability Meetings

The reason a Greater Circle Member would join an accountability group is;

1. You want to hold yourself accountable not only to yourself but to others
2. You want to be able to share your story in more detail, so that you can gather insight and perspective from others outside looking in, who know you and your business/career aspirations
3. You want to form deeper connections with a smaller group of business women who;
 - a. have similar experience or have been where you are.
 - b. or come from a completely different perspective
 - c. or a mixture of both.
4. You want your own sounding board available to you regularly, to share your ideas with or help solve challenges
5. You want structure and the 5 pillar planning workbook/process will help you stay focused and keep on track, across all aspects of your world, not just business
6. You want to share your experience and insights with others and help other women achieve the above

Each Inner Circle is between 4-6 members, who meet monthly at SWB HQ. Each Inner Circle group has an Accountability Coach who facilitates the meeting (this is typically Anna Chipperfield or Megan Kelly)

These meetings are usually held from 5pm and are scheduled for 2 hours. The agenda is structured and we are strict in finishing at 7pm. Depending on the availability of the members, we are open to facilitating an Inner Circle during the working day.

Additional Facebook group

Once you are curated into an accountability group (your Inner Circle), as well as meeting monthly, you will be part of a smaller closed facebook group, for the members within your Inner Circle. This is where share news and info between meetings.
